CHALLENGE

PBT planned to exit from the Thailand market smoothly by 2018, thus requiring a one-stop professional services provider that could assist in:

- A tax refund claim from the Thailand Revenue Department;
- Repatriating funds to its shareholders ; and
- Winding up the company.

SOLUTION

A claim for tax refund was subject to tax investigation. Tricolor advised PBT to adopt strategic thinking for the tax investigation process. As a result, PBT successfully got a tax refund, and repatriated to its shareholders.

BENEFITS

Tricolor helped to provide a correct and effective approach in dealing with the Thailand Revenue Department. PBT was able to get a high amount of tax refund from the Thai authority without adverse effects.
